

A232 SUPERCLEAN

LABEL INSTRUCTIONS

Product Description & Directions for Use:

A quick drying non-residual spray cleaner for glass, plastics, laminate floors and most hard surfaces. Superclean contains a blend of special surfactant and alcohol to quickly remove soils and grease without leaving streaks, smears or residue.

For professional and industrial use only.

For best results on heavy soil, glass and residue sensitive surfaces, use Superclean undiluted. For general surface cleaning, Superclean may be diluted with an equal part of water. Always pretest surface to be cleaned before proceeding. Apply solution with spray applicator, then wipe with absorbent cloth or towel. For flooring, lightly apply by spray applicator then absorb with flat mop or microfibre flat mop or bonnet.
