Special Offer Price*

£2,495+VAT

(Normal guide price £2,695+VAT)

**Offer Valid from 1st October to 31st December 2017*

At participating distributors only

The Steempro Powermax combines dual 3-stage vacuum power with a long life 150 psi induction diaphragm pump. The ideal high power carpet extractor for the single operator, the Steempro Powermax incorporates a large 35 litre solution tank in a compact body design for maximum efficiency and portability.

With an internal 'whisper quiet' silencer and upright mounted motors with exclusive inter-cooler unit, the Steempro Powermax represents the state-of-the-art in professional carpet soil extractors.

The optional Heat 'n' Run in-line heat exchanger provides continuous hot cleaning solution. The machine comes complete with hoses and 2-jet Glidemaster stainless steel wand.
